January's News Highlight

House of Hope clients and staff were delighted to attend the annual Rally for Recovery at the Utah State Capitol on February 20, 2020. The event, hosted by Utah Support Advocates for Recovery Awareness (USARA) and the National Alliance on Mental Illness (NAMI), included a walk to honor those who lost their lives to mental illness and addiction as well as the rally itself. Staff and clients alike were moved by the passionate speeches offered by elected officials, community leaders, and people in recovery.

House of Hope Goes to the Theater: A Special Thank You!

On February 13, 2020, House of Hope clients had two amazing opportunities to attend local theaters. Through the generosity and hard work of community advocate and our very own board member Beth Pratt, 25 clients and staff attended Utah Presents show of *Blizzard*: a truly fantastical acrobatic performance and whimsical show. The same night, 15 clients and staff were able to attend a Sarah McLachlan concert at the Eccles Theater through the Arts for All program. For several of our clients, this was their first experience with live theater productions and both opportunities delighted all those in attendance. House of Hope would like to thank the following for creating the wonderful opportunity: Beth Pratt, Utah Presents, Efren Garcia and the Arts for All Program, and the Eccles Theater. Your generosity created memories to last a lifetime!
